# Brotherhood Small Groups

## **Brotherhood Campfire Groups**

We love our breakfasts and large gatherings, but real life change happens when men link arms in small circles, committed to walking together. This spring launches a new semester of Campfire Groups with two specific types. The first, Sonship Campfire Groups, focus on our identity as sons, and the second, Katharos Campfire Groups, focus on stepping into healing from sexual sin and brokenness. God designed for every man to heal from his wounds, not live with them, which is why we strongly encourage every man to walk through one or both of these opportunities, and allow the Lord to lead you into being whole and healed. Deep discipleship comes from a life that is willing to be examined and renewed. Step into a Campfire Group this spring!

**Scan to register for campfire groups**

**Sonship Campfire Groups:** Do you know that the Father is proud of you? Do you know what it means to have His smile of approval? The truth is, most men have no idea because most men view their Heavenly Father through the lens of experience with their earthly father. These groups focus on your biblical understanding of who God is as a Father and who you are as a son to equip you to live as the man God created you to be, whole and healed.

**Katharos Campfire Groups:** Every man has been exposed to sexual evil, but most men have no idea how they were meant to heal from it. Your unwanted sexual behavior is deeper than just action; it's rooted in a wound or belief system you've bought into that's incongruent with who you are because of Jesus Christ. There's hope, and you were created with a warrior heart. Become a warrior, step into freedom.
