

Covenant  
CHURCH

2025-2026

We are pleased to present this report to you for the ministry year of 2025-2026. It was a great year at Covenant Church with lots of exciting things to report as you will see. Thank you for being part of this church family and making it such an awesome place!

Recently, several of us on staff were working on a project to determine what things we wanted to see from our worship services, small groups, events and ministries. While there were many good answers, the one thing that kept coming back to me was obvious: we want to be a church where people experience Jesus Christ personally and through other believers and then take that life back to their homes, neighborhoods, and friends. When that is happening on a consistent basis then I think we are not only honoring the Lord, but we are also making Him famous! I hope we do even more of that this coming year!

## Volunteers on the Connections Teams

“

Serving has never been about recognition for me; it's about honoring God and being available wherever I'm needed. Whether I'm arriving early to prepare the coffee, helping the media team to record the service, or simply doing the little things behind the scenes, I believe every act of service matters.

For me, serving is an expression of gratitude for all that God has done in my life. If I can help create an environment where someone feels welcomed, hears God's Word, or grows closer to Christ then I've been blessed to be a small part of His work.

My prayer is that others will see serving not as an obligation, but as a privilege. God can use each of us, no matter our role, to make a difference in someone's life.”

“Together we are seeing the Gospel transform lives among the unreached Muslim communities in Ethiopia. We have seen over 21,000 people make professions of faith since 2014. Your prayers and generous support have been a great blessing and catalyst for this movement. Thank you, Pastor Branson Sheets and the entire Covenant Church family, for walking alongside us through your prayers, friendship, and faithful financial support.”
